

Our COVID -19 PLAN

How quickly things have changed in the world. How surreal it seems. The health crisis is playing out now and will not go away quickly. Our hope is that everyone takes good care of themselves, that you avoid risks, stays home, or at least practice social distancing, and of course, stays healthy.

Our plan is to continue business as long as safely possible.

After some thoughtful consideration, DPI and In-House will close our doors to the public effective 3.18.2020 until further notice. We will be working remotely starting mid-week this week in an effort to keep everyone as safe as possible. Deborah will still be working from the office and can be reached at 508-834-7399.

We will accept deliveries with certain safety protocols in place prior to delivery.

DPI and In-House staff will continue to service existing clients, and new clients, remotely with Deborah from the company offices, via email, video conferencing, phone conferencing, and FaceTime. We have the ability to keep connected and keep moving forward.

Our bookkeeping staff has the ability to issue and receive electronic checks, wire transfers and online payments. We can email all financial data electronically as all of our existing clients already know.

Let's look to a future beyond this crisis and plan for tomorrow, now.

Thank you,

All the employees and staff at Deborah Paine Inc. and In-House.
